Training is going on to Panchayat presidents, stakeholders on child protection at Jawadhu hills.

Plan for 2016-2017

1. Quality care and protection of children
2. Individual child care plan for all the children..
3. Counseling and guidance to the children.
4. Reintegration of children in to their family based on the possibilities.
5. Better Rehabilitation.
6. Nutritional and balanced food given to the children.
7. To give proper medical care in time to the children.
8. Providing children friendly activities -yoga, handwork, painting work, beautician course, embroidery work, computer basic training and tailoring work to the children.
9. Files and Registers maintenance regularly and Proper documentation.
10. On line data entry for child tracking system.
11. Staff trainings.
12. Children trainings.

Plan for new project in 2016-2017:-

Children under five (0 years to 5 years) are coming to Reception home for Children had increased due to several reasons. At present 10 children under five years are in Chandran garden along with Babies home. More attention to be given for the toddlers to meet their needs of early

childhood development. So, there is a need of opening a new home for especially toddlers under Reception home in 2016-2017.

Conclusion:

Life Line trust provides good care for the suffering children in Salem and Tiruvannamalai. Children are very happy and they are good at school. We have to bring more support to the real needy children in these regions in coming future.
