Lifeline Centre for Prevention of Children from Alcoholism and Substances (Drug) Abuses

As per the guidance of the Social Welfare and Nutritious Programme [SW8(2)] Department G.o.(MS) No.51, the establishment of De-addiction center at Chengalpattu for children of Government Observation Homes and Special Homes has commenced On Jan 17th 2018 in a rented building at Alagesan Nagar, Chengalpet near Government Hospital.

As per the norms all Professional staff has been recruited. Needed Trainings are given i.e Induction training, JJ Act 2015 System, Capacity building training, Children Protection Policy, Finance Policy as well as Training on Handling Children in Conflict with Law in the process of De addiction & Rehabilitation.

Commissioner Visit

The Commissioner, Department of Social Defence visited the new de addiction centre on 18th January 2018.

The entire infrastructures i.e cots, beds, office furniture has been equipped in the rehabilitation centre.

Children Admission:

The first child S.Shanthakumar, 16 yrs old from JJB, Chennai, was admitted on 23/02/2018 for de-addiction and rehabilitation. He came along with his mother and two police escorts at 7.30.pm to centre, during the admission he was crying and denied to stay at centre. We were explained about his present situation and threats in the native place. Gradually he was calm down and accepted to stay over there. In next two days he has changed lot and started his de addiction process.

Group Therapy with Parents

The second child Siva, 16 years old referred by JJB Chengalpet and admitted on 26.02.2018 at Rehabilitation Centre. He was nervous and half mind to accept the rehabilitation. After two days his confident level has been increased and cooperating very much for the entire process.Both Children underwent general medical checkup and psychiatric consultation. Under the prescription the health status is maintaining.

ONGOING ACTIVITIES:

- 1) Detoxification and medical services
- 2) Nutritious meals
- 3) Yoga and Meditation.
- 4) Games and sports
- 5) Daily reflection (thought for the day)
- 6) Therapeutical classes (Basic facts, life skills and relapse prevention)
- 7) Counseling
- 8) Recreational activities
- 9) Family therapy
- 10) Literacy and library

Future plans:

- 1) Establishing fellowship program for the recovery of children (eg: AA/ NA fellowship meetings- Homogenous group)
- 2) Support person program classes – 1:30 hrs (1st and 2nd degree relations of the children to provide conducive and supportive environment in the recovery)
- 3) Tutoring- Acc to the assessment of literacy special classes to be conducted for the children.
- 4) Life Skill training
- 5) Rehabilitation Process and finding sources to enroll them in skill training

Conclusion:

Life Line Trust is ensuring child rights and child protection and also working committedly for the holistic development of the children. In the coming year 2018 – 2019 we will be going to give more concentration in Quality improvement of children care, children development and Life Line Trust is focusing more on imparting values, positive attitudes in children conducting Life skill training to conduct Life skills, child rights, child protection, individual child care plan and sustainable staff capacity building.
