Dear Madam,

Greetings!

We would like place on records our heartfelt thanks for giving a very inspiring and informative awareness speech on "Child Protection" to our school students. A total of 130 girls and 120 boys benefitted from your speech which covered various aspects of protecting themselves.

Our best wishes for you to continue serving the society and the young children who would definitely benefit from your guidance.

Thank you,

Sincerely yours

(Sathya Prithviraj)

CERTIFICATE OF APPRECIATION

Life Line Trust is a Non-Government charitable organization working for the Best interest of the Children reused, abandoned and surrendered babies and children. Department of Health services, Salem is appreciating for 20 years of dedication and diligence service to the children by the organization.

With great pleasure, I record my appreciation for the effective services to the new born babies and toddlers in Life Line Babies home and adoption center. I saw the smile in each babies and the trained care givers provide their care with affection. The home is maintained very hygienically and given utmost care for the babies. The regular medical care and regular medical checkups made by the organization to ensure the babies health.

Babies are getting proper feeding by providing nutritious milk prescribed by their Doctor. Special need babies are taken under nursing care. Children are getting pre-school education and early childhood education from 3 years. Individual child care plan is made for each babies and the holistic development of the child for their better placement in lovable families under In Country and Inter Country adoption.

Department of Health, Salem, is appreciating Life Line Trust and its founder **Mr. R.CHEZHIAN** and his committed staff team for their outstanding need based care and protection towards the babies and ensure children's holistic development.
